MALAYSIA ASSOCIATION FOR CELL AND GENE THERAPY

Venue: Nexus Connection, Bangsar South

CELL AND GENE THERAPIES FOR MALAYSIA: CHALLENGES & FUTURE PROSPECT !

Malaysia Association for Cell & Gene Therapy (MACGT)

ONE DAY Mini- CONFERENCE! 8.30am to 5pm

As advancements in the field of cell and gene therapy continue to shape the future of medicine, it is crucial for Malaysia to stay at the forefront of innovation and development. This conference aims to bring together experts, researchers, and industry professionals to discuss the challenges and opportunities in the field of cell and gene therapies in Malaysia.

Join us as we explore the latest research, developments, and potential applications of cell and gene therapies for the benefit of patients and the healthcare system in Malaysia. We look forward to exchanging ideas, building collaborations, and driving progress in this exciting and rapidly evolving field.

Dear Sponsor,

I am writing to you on behalf of Malaysia Association for Cell and Gene Therapy (MACGT). MACGT was established on the 15th February 2012 with the registration number (PPM-014-10-15022012) under ROS (Jabatan Pendaftaran Pertubuhan Malaysia). MACGT main mission and objective is to provide support to Malaysia's cell therapy industry and research. MACGT's membership comprises various industry players including:

- Cell therapy technology providers (eg various university and commercial labs)
- Cell therapy healthcare providers (eg various hospitals and clinics providing such treatment)
- And various suppliers of goods and services to the industry such as lab operators, cell production and banking facility, product testing/QC labs, consultants etc.

We are excited to announce our upcoming conference on **CELL AND GENE THERAPIES FOR MALAYSIA: CHALLENGES & FUTURE PROSPECT!**, which will be held on **02nd November 2024 in Nexus Connection, Bangsar South**, Kuala Lumpur. This conference will bring together experts in the field of cell and gene therapy from the industries to address challenges of these therapies in Malaysia and at the same time enable the industries in embracing opportunities for collaboration and partnerships for accelerating therapeutic discoveries

As we prepare for this important event, we are seeking sponsors who share our commitment to in advancing cell and gene therapy through Innovations and applications. Your support will not only help us cover the costs associated with organizing the conference, but it will also help us reach a larger audience and have a greater impact on our industries.

In exchange for your sponsorship, we are offering a range of benefits, including recognition on our promotional materials, signage at the conference, and the opportunity to showcase your products or services to our attendees. Additionally, we would be happy to tailor a sponsorship package that meets your specific needs and objectives.

We believe that your support will make a significant difference in our ability to achieve our goals and make a positive impact on transforming healthcare through cell and gene therapies. If you are interested in learning more about this opportunity or discussing a potential sponsorship, please do not hesitate to contact me at mact2012@gmail.com or +60 12-2865193

Thank you for considering this request. We look forward to the possibility of partnering with you on this important initiative.

Sincerely,

Ms TEO JS
MACGT Secretariat

On behalf of MACGT President Dr Lim Teck Onn, Vice President Mr James Then,
Hon. Treasurer Mr Zahrein and the distinguished committees (please refer to www.mact.org.my for the list)
